Welcome

Dear Student,

Welcome to The School of Arts, Community and Protective Services. The purpose of this handbook is to provide you with relevant information concerning NBCC policies and specific information regarding your program.

At NBCC, our leadership team, faculty, and staff share a common vision of *transforming lives and communities*. We are a collaborative, learner-centered college, and we take great pride in the success of our students. Although we encourage you to hold yourself accountable for your own education, we also want to let you know you are not in this alone! Our faculty, resources, and staff are here to support you every step of the way. We encourage you to participate, give your best effort, and communicate with your instructors. You will find that we have much to offer, and you have a great deal to gain.

If there is anything we can do to enhance your experience at NBCC, please do not hesitate to contact us via the staff email addresses found later in this handbook. If you are unsure who to contact, please email arts@nbcc.ca or communityandprotectiveservices@nbcc.ca, and we will get you in touch with the right person. We wish you all the best during your time here with us, and we look forward to seeing you throughout your academic journey!

Sincerely,

Karen White-O'Connell – Dean, School of Arts, Community & Protective Services

Carol Clerke – Academic Chair, Justice Studies & Centre of Excellence

Heather Fowler – Academic Chair, Community & Instructor Development

Mary Lynn Jardine – Academic Chair, Arts & Community

Academic Calendar 2026-2027

This Academic Calendar is subject to change without notice. Please contact the Registrar's Office at registrar.services@nbcc.ca if you have any questions or to report any errors/omissions.

Recognition of Prior Learning (RPL) Application Open Dates

Description	Date
RPL – Open for Applications for Returning Students	Wed., Jul. 15, 2026
RPL – Open for Applications for New Students (with Paid Confirmation Deposits)	Wed., Jul. 15, 2026

Fall Term 2026

Description	Date
Confirmation Deposit #2 Due – Fall 2026 Intake (New International Students Only)	Fri., Jun. 26, 2026
Registration Begins for Fall Term	Mon., Aug. 10, 2026
Fall Term Starts	Mon., Sept. 7, 2026
Labour Day (No Classes)	Mon., Sept. 7, 2026
First Day of Classes	Tues., Sept. 8, 2026
Fall Tuition & Fees Due ¹	Fri., Sept. 11, 2026
Last Day of Admission to Fall Intake Programs ²	Fri., Sept. 11, 2026
Last Day to Withdraw with Full Tuition Refund (Less Confirmation Deposit)	Fri., Sept. 18, 2026
Last Day to Opt In/Opt Out of Student Health & Dental or Guard.me Plans	Fri., Sept. 18, 2026
National Day for Truth and Reconciliation (No Classes)	Wed., Sept. 30, 2026
Last Day to Withdraw with 50% Tuition Refund	Fri., Oct. 2, 2026
Application Deadline – NBCC Foundation Awards (Fall Admit Term)	Mon., Oct. 5, 2026

Thanksgiving (No Classes)	Mon., Oct. 12, 2026
Student Success Week (No Classes) ³	Mon. - Fri., Oct. 26 - 30, 2026
Remembrance Day (No Classes)	Wed., Nov. 11, 2026
Last Day of Classes	Fri., Dec. 18, 2026
Fall Term Ends	Tues., Dec. 22, 2026
Marks Due (Fall Term)	Tues., Dec. 22, 2026

Fall Term Notes:

- 1) NBCC offers [Payment Options](#), including Payment Plans; due dates may vary if a program does not start at the beginning of the term.
- 2) Applications must be submitted by 4:00 p.m. on the day before the final admission deadline. Students admitted at this time must be ready to begin classes immediately, and no later than the first day of the second week of classes.
- 3) Dates may vary for Apprenticeship training and School of Professional & Part-Time Learning.

Winter Term 2027

Description	Date
Confirmation Deposit #2 Due – Winter 2027 Intake (New International Students Only)	Fri., Oct. 30, 2026
Registration Begins for Winter Term	Mon., Dec. 7, 2026
Winter Term Starts	Wed., Jan. 6, 2027
First Day of Classes	Mon., Jan. 11, 2027
Winter Tuition & Fees Due ¹	Fri., Jan. 15, 2027
Last Day of Admission to Winter Intake Programs ²	Fri., Jan. 15, 2027

Last Updated May 29, 2026

Description	Date
Last Day to Withdraw with Full Tuition Refund (Less Confirmation Deposit)	Fri., Jan. 22, 2027
Last Day to Opt In/Opt Out of Student Health & Dental or Guard.me Plans	Fri., Jan. 22, 2027

Last Day to Withdraw with 50% Tuition Refund	Fri., Feb. 5, 2027
Family Day (No Classes)	Mon., Feb. 15, 2027
Study Break (No Classes) ³	Mon. - Fri., Mar. 1 - 5, 2027
Good Friday (No Classes)	Fri., Mar. 26, 2027
Easter Monday (No Classes)	Mon., Mar. 29, 2027
Application Deadline – NBCC Foundation Awards (Winter or Spring/Summer Admit Term)	Thurs., Apr. 15, 2027
Last Day of Classes	Fri., Apr. 23, 2027
Winter Term Ends	Fri., Apr. 23, 2027
Student Success Week (No Classes) ³	Mon. - Fri., Apr. 26 - 30, 2027
Marks Due (Winter Term)	Tues., Apr. 27, 2027

Winter Term Notes:

Important Student Policies Worth Noting:

Please refer to NBCC website to ensure you are using the most up-to-date and complete list of Student Policies - <https://documents.nbcc.ca/>

- *Grading and Academic Recognition - [Policy 1108](#)*

The purpose of this policy is to standardize the content of the NBCC transcript for accurate representation of the student's academic progression and performance and to describe the criteria used to recognize academic achievement. The grading system and its translation to the transcript is also defined.

- *Course Delivery and Evaluation of Learning - [Policy 1109](#)*

The purpose of this policy is to outline course delivery and evaluation of learning methods and the responsibilities of instructors and students in academic quality, student performance and student success. Faculty will prepare and adhere to relevant course outlines according to course profiles in the Curriculum Standard, which will inform students of the learning activities and related assessment criteria. Students can expect the delivery of progressive learning experiences and timely feedback in the form of both formative and summative evaluations. These practices are in place to indicate student standing and progression.

It contains sections on student success; adding, dropping and withdrawing courses; as well as alternative arrangements that provide additional opportunity to demonstrate competence in the unsuccessful course and to achieve a passing grade.

- *Academic Integrity - [Policy 1111](#)*

This policy outlines responsibilities of the NBCC Community in supporting academic integrity and provides a description of applicant or student actions that may represent minor and major misconduct.

- *Student Code of Conduct- [Policy 1112](#)*

The purpose of this policy is to define the standard of general conduct expected of students and describe the procedure the College will follow when an allegation of student misconduct is made.

- *Student Standing - [Policy 1113](#)*

This policy outlines the two types of student standing: academic standing and conduct standing.

- *[Student Issues and Complaints - Policy 1313](#)*

This policy serves to voice issues and complaints that arise in conjunction with College policies, staff members, fellow students, or the overall student experience at NBCC without fear of reprisal, in a timely, constructive, and confidential manner.

- *[Student Learning Experience Charter -Student Learning Experience Charter](#)*

Academic excellence is at the heart of everything we do. We are committed to providing every student with an engaging, quality learning experience, preparing you for a rewarding career in your chosen field. This Charter outlines our commitment to you on delivering a quality learning experience and sets out expectations for our learners to ensure they make the most of their NBCC experience.

Responsibility for Learning

Instructors provide guidance, tools, and academic support in all programs. As a student, you also play a critical role in shaping your learning within your program.

Your instructor should always be the first point of contact for any questions you have regarding your courses.

There are several other steps you can take to assist with your academic success:

- Reading the course outlines and schedules for your courses, noting critical due dates on your calendar, and asking questions about the course outline at the beginning of your course.
- Reading assignment instructions and asking questions about the assignment before the due date.
- Asking for clarification of concepts, terminology, and activities as needed. This might mean emailing your instructor, asking a question in class, or posting a question through Brightspace. There is a chance that other students have the same questions and asking them in class may be beneficial for the whole class.
- Engaging in your learning by asking your instructors questions during class or office hours. This may involve clarifying a concept or requesting another demonstration (even if it is virtual) of the concept in question.

Attendance and Participation

- Attendance and participation are important as they directly impact both student success and success in the workforce. [Course Delivery and Evaluation of Learning](#). (Policy 1109)
- **Attendance:** If you cannot attend class, the best practice is to email the instructor before the start of the class, indicating why you will be absent as you would in the industry.
- **Participation:** Please refer to the individual course outlines for assessment weights associated with participation. Course participation helps develop essential workplace skills in addition to the course competencies, including the following skills:
 - **Make a Connection/Impression:** Making connections in the workforce begins in the classroom. Student connections and impressions made towards the instructors can pave the way to your future.
 - **References:** Along their career journey, students and instructors will be asked to refer to someone they think would be best suited for a job. Making a positive impact on those around you can be one of the best decisions for your career.
 - **A Growing Opportunity:** Opening, tearing down barriers and stepping outside your comfort zone will help you grow in more ways than one. Communication is the essence of success in your endeavours; remind yourself of this every morning before class.
 - **Learn How to Clarify:** In industry, it is essential that you understand your assignment. To accomplish this, ask questions, work with others, and seek out your classmates and instructors for their feedback /input.

Brightspace

- Brightspace is NBCC's learning management system and is the tool used for course delivery, including:
 - Posting assessments (assignments, quizzes, tests, etc.), messages for the whole class (announcements), class material, etc.
 - Completing and submitting assignments, as well as accessing class materials.
- Referring to Brightspace for assessment deadlines, announcements, and class material is the responsibility of the student.
- **Help:** If you need assistance navigating Brightspace, refer to the help menu on Brightspace and select Video Tutorials. If you are still having trouble, contact Instructors for course content and IT for system accessibility.

Connect with Instructors

How:

- By email, or in class. Please refer to your course outline for instructor availability.
 - Email etiquette: When sending an email, insert a subject, remember to include a polite greeting and in the body of the email, include your name, program, campus, and course/assignment with your question. [Emailing your Instructor - Classroom Communications - Library Learning Commons at New Brunswick Community College](#)
- Business Hours: If you send an email after business hours, do not expect a response until the next business day. Give the receiver a full day (8:30 am – 4:30 pm) to respond, unless it is urgent, in which case a follow-up is acceptable.

Why:

- Report Absence: As you would in industry, you should contact your instructor(s) when you will not be in class.
- Inquiries Regarding Course Content: Brightspace issues, clarification on assignment details & specifications, missing files or elements, etc.
- Extension Requests: All extensions should be requested by email (in writing); this keeps a record of said request.

What To Know:

- Check Your Emails Regularly: The instructor will communicate with you via email and Brightspace Announcements. It is essential to check your email account and Brightspace regularly to ensure you don't miss any important messages.
- Add Your Instructor's Email Address to Your Safe List: Each email provider has a different method of adding email addresses. Research the correct method or ask your instructor(s) for assistance.

In-Person Classroom Expectations

- Please arrive on time to reduce distractions to the instructor and your peers.
- Please turn cell phones silent while in class.
- Please avoid wearing perfume/scented products. [Scent Reduction Initiative](#)
- Please return on time from scheduled class breaks.
- Please use respectful language when speaking and participating in class discussions to foster a safe and inclusive environment. [Student Code of Conduct](#)

Virtual Classroom Expectations

- Please log in on time to ensure full participation.
- Please participate actively to enhance learning and collaboration by raising your hand and asking questions or giving feedback in the chat.
- Please use respectful language when speaking and within the chat area to foster a safe and inclusive environment.
- Please dress appropriately to maintain professionalism.
- Please minimize distractions when possible.
- Please keep your camera on, when possible, to build connections and accountability.
- Please mute the microphone when not speaking to reduce background noise.

Student Services

IT Services

Our goal is to provide students with technical resources which support teaching, learning, research and administrative functions.

Students are encouraged to use their own technology devices while attending NBCC. If you experience issues with your device, please reach out to NBCC's technicians through Helpdesk and they can provide guidance on how to resolve your issues. All hardware related issues will be redirected to the manufacturer/place of purchase. We recommend an extended warranty!

- [Get Started](#)

A number of online services are available to students at NBCC. In order to access these services, you must first activate your IT account.

- [Password Reset](#)

- [Help Desk](#)

Feel free to stop by your campus IT Helpdesk location if you need help.

Fredericton - Room A1009

Miramichi - Room A1105

Moncton - Room A2141

Saint John - Room C1003

Woodstock - Room A2206

- [Printing](#)

All students are able to print from computer lab machines to the pre-installed printers in the lab. NBCC offers students the ability to print directly from their devices by following the instructions (follow link).

- [Program Technology Requirements](#)

NBCC is a connected learning environment. Depending on your program of study, you may find that technology will play a greater role, not only as you study, but also in your future career. While not all programs have the same technology requirements, all students must have access to the internet to allow for a full educational experience. Technology typically comes in the form of a laptop, but must meet the program technology requirements listed. Free wi-fi is provided on all campuses.

- [Software](#)

Depending on the program you are enrolled in, certain software may have to be installed on your laptop.

- [Wireless/Wifi Access](#)

We have moved to using EduRoam as our primary connection to Wifi. This option should work for devices using Windows 10 and 11, Mac OSX 11+, and the more current versions of Apple iOS and Android. Follow the link to find instructions on how to connect your device to the EduRoam network.

- [**Accessibility and Inclusion Services**](#)

NBCC is committed to providing an accessible learning environment for all students. At NBCC, we ensure each student has equal opportunity to access education, training, and services.

We accommodate students with various accessibility needs, learning disabilities and/or physical or mental barriers. Academic and service accommodations are considered for ALL students and reviewed individually.

Our Accessibility and Inclusion Services staff work with students to develop comprehensive individual accommodation/learning plans and connect students to supports to reduce barriers to learning.

- [**Wellness and Counselling Services**](#)

At NBCC, your wellbeing is priority. We understand that your college experience is more than just academics – it's a time of growth, discovery and sometimes, challenges. That's why we've developed supports designed to help you thrive both in and out of the classroom.

From student activities (such as wellness fairs, animal visits), mental health, academic supports to help preparing for the job market, we offer workshops, wellness activities, and access to online resources to ensure you have the tools you need to thrive.

At NBCC, we know that every student's journey is unique—and so are their needs. That's why our counselling services are designed to be flexible, accessible, and student-centered.

- [**Indigenous Student Supports**](#)

P'jilasi / Kulasihkulpon / Welcome!

At NBCC, our students always remain at the centre of everything we do. We know that navigating through college can be challenging sometimes. Our Indigenous Student Success Coach team can serve as your first point of contact to respond to inquiries and connect you with services and support.

- [**International Student Supports**](#)

At NBCC we recognize the need for support as learners from around the world join us for their learning journey. You are not alone on this journey; our Student Success Coaches are here to help and assist learners in their transition to NBCC and encourage growth and development throughout their college experience.

We seek to empower students to identify and achieve their educational, personal, and professional goals through coaching sessions and connecting them with resources within and beyond NBCC.

- [**Health and Dental Insurance**](#)

The Province of New Brunswick, NBCC and NBCC Student Union (NBCCSU) have worked to provide students of the College a comprehensive approach to Health and Dental insurance.

- [Housing](#)

NBCC does not offer on-campus housing, and it is each student's responsibility to secure their own accommodation. However, we aim to provide support to students in their search for appropriate accommodation in one of our six campus communities. As part of this support, we've compiled some off-campus housing resources to help with your search.

- [Library Services](#)

At NBCC, our library services are designed to support your academic journey across all campuses. Although each library may look different, each campus library offers computers and printing facilities, study spaces, we facilitate tutoring and accommodated testing, educational workshops, a vast collection of eBooks, news and magazines, media and video.

Our [library resources](#) are virtual, so you can access them whether you are learning at home or coming to campus. Our staff is available to help you throughout your studies. Use "[Ask a Question](#)" on our website to get help via email from a Library Coordinator or set up a one-on-one session for more in-depth questions. We also provide Learning Circles to help you with essential skills.

- [Student Union](#)

The NBCC Student Union (NBCCSU) operates independently of NBCC, representing the student voice at each of our six campus locations. The NBCCSU provides students with many services, including Health & Dental Benefits, Student Discounts, My Wellness Plan, My Virtual Doctor, Bright Breaks Virtual Sessions, Food Resource Centers, Job Postings, and much more! Each NBCC campus also has a Student Life Officer available to support local Student Union representatives and all NBCC students.

- [Financial Resources](#)

A college education is a smart investment in your future. Fortunately, there are a variety of financial support options available to help make college more affordable. These resources are designed to ease the burden of tuition, books, housing, and other expenses, so you can concentrate on achieving your academic goals.

- [Peer Mentor Program- Apply Now!](#)

Are you nervous about starting College and looking for support? The Peer Mentor Program may be for you!

Mentees will be guided by a Peer Mentor who is a fellow student that has similar life/study experiences and who will answer questions about cultural support and student services available on campus and in the community. The Peer mentors work in partnership with the Student Services team and will have the opportunity to provide, network and develop transformative relationships with mentees.

- [Student Success Coaching](#)

Student Success Coaches are here to guide and support you through college life and help you grow personally, academically, and professionally.

Through one-on-one coaching and connections to helpful resources at NBCC and in the community, we'll support you in identifying your goals—and achieving them.

Academic Advising

Academic advising is offered to support all new and returning students throughout the school year. Academic advising can assist you in developing plans for achieving your goals. Students can access academic advising by contacting the Coordinating Instructor (CI) for their program.

Email is the preferred method to contact your CI. Some issues are easily resolved via email while some issues may require a discussion through a virtual or in-person meeting. Keep in mind, CIs will be very busy during peak periods (such as the beginning or end of the term), so be proactive by planning ahead when making an appointment. Include your name, student ID#, and program in the email to the CI as well as the best way and/or time to reach you.

What can your Coordinating Instructor help you with? Coordinating Instructors can:

- assist with finding options and planning if you need to take a course outside of your program's regular delivery sequence
- explain academic policies and procedures
- clarify program requirements
- assist with program planning and tracking progress towards graduation
- discuss any considerations you may have regarding adding or dropping courses, transferring programs or campuses or withdrawing from your program
- give guidance in formulating and realizing academic goals
- help you understand the consequences of academic decisions
- respond to concerns related to academic performance and academic standing
- outline important dates and deadlines
- refer you to appropriate supports and resources
- assist with completing student progress reports for sponsorship programs such as WorkSafeNB or Training & Skills Development (TSD)

Request for Prior Learning Process

Please follow the link for complete and updated information on NBCC's Request for Prior Learning Process: <https://nbcc.ca/admissions/recognition-of-prior-learning>

At NBCC, we recognize that learning happens inside and outside the classroom. Our Recognition of Prior Learning (RPL) program allows you to gain credit for the learning you already possess. You may have taken many different paths to develop this learning, from formal coursework at other post-secondary institutions to informal workshops and seminars, on-the-job training, work experience, volunteerism, military service or family commitments. No matter how or where you gained your experience, RPL provides a way for you to demonstrate your learning and receive formal credit for it.

There are two ways you can be awarded credit toward your program at NBCC:

- **Credit Transfer (CR):** You may earn credit for courses you previously completed at a recognized post-secondary institution if the learning matches at least 80% of the competencies, scope, depth, and level of learning required for the respective NBCC course and you achieved a minimum grade of 60%.
- **Credit Equivalency (EQ):** You may earn credit for learning you gained from work or life experience, volunteerism, self-directed study, military service, on-the-job training, workshops, or seminars. The learning you achieved must match at least 80% of the competencies, scope, depth, and level of learning required in the respective NBCC course.

Further information on the RPL Program:

- [Step by Step Application Guide](#)

By accessing the [Recognition of Prior Learning Portal](#), you are able to view and print the delivery sequence for your program.

Employment Opportunities

The NBCC Alumni Association strives to bridge the gap between college and a great career for our graduates. We post employment opportunities targeted at NBCC alumni and/or students. This is a service for our alumni and students.

NBCC is open to any employer that may provide an employment opportunity for our alumni or students. You can find a listing of employment opportunities here: [Employment Opportunities](#)

The [NBCC Career Coach](#) provides very helpful information on various careers, a Resume Builder, a Career Assessment as well as Work Opportunities from NBCC partnered employers.

Pathway Agreements

NBCC's Pathway Agreements are transfer processes that allow our students to obtain credits towards another program or degree from another post-secondary institution.

NBCC has partnered with local, national and international accredited institutions to create Pathway Agreements that streamline the transfer process and ensure credits are transferred seamlessly. This gives you the opportunity to continue your education, travel and gain life experience.

Why choose between college and university? NBCC has multiple pathways that allow you to do a 2+2 study, which means **your two-year NBCC diploma can be credited for up to two years of a four-year university degree**, making for a seamless transition from college to university.

You are responsible for further research into a pathway program to ensure it is in your best interest: [Pathway Agreements](#)

Roadmaps to Graduation

The following pages contain “Roadmaps to Graduation” or “Program Maps” for students’ reference. These documents provide students with information on what courses by term are required for graduation for their applicable program. Please note that these delivery sequences may need to be modified and are subject to change.

The Roadmaps to Graduation documents are intended for students who are commencing their program in **Fall 2026** (unless otherwise noted). If you started your program before or after Fall 2026, please obtain your “Roadmap to Graduation” from your Coordinating Instructor or Department Administrative Assistant.

Roadmap to Graduation- Animation and Graphics

Year 1 - Term 1 Fall

Code	Title	Credits	Prerequisite	Got this!
ANIT1065A	Animation Fundamentals	3	None	☐
ANIT1066A	Character Design: Fundamentals	3	None	☐
ANIT1067A	Animation I: Introduction to Rigging	3	ANIT1065A	☐
DRDE1083A	Drawing Perspective	3	None	☐
DRDE1084A	Life Drawing I: Principles	5	None	☐
GDGD1267A	Visual Design I: Raster and Colour Theory	4	None	☐
SECU1322C	Work Safely	0	None	☐
THEA1033A	Storytelling	2	None	☐

Year 1 - Term 2 Winter

Code	Title	Credits	Prerequisite	Got this!
ANIT1068A	Animation II: Character	5	ANIT1067A	☐
ANIT1069A	Layout I: Planning and Construction	4	DRDE1083A	☐
